Learn Effective Treatment Solutions While Earning 20 CEUS

NAADAC approved provider #000154, NBCC #5925, GACA Approved
CENAPS Corporation is recognized by the National Board of Certification Counselors. We adhere to NBCC guidelines. LPCA Hours applied for.

INSTRUCTED By: Karen D. Kelly, Ph.D., ACRPS, CENAPS Trainer & Consultant

The Relapse Prevention Counseling (RPC) Certification School is designed to teach advanced skills for the identification and management of high-risk situations that can cause relapse in early recovery before a stable recovery program has been established. This advanced clinical skills training is based upon a standard RPC Treatment Plan for managing high-risk situation. The plan is based upon proven cognitive-behavioral therapy procedures and is fully compatible with sobriety-based treatment and Twelve Step Principles. Each step of the standard treatment plan is explained, demonstrated, and practiced either in-group or individual therapy formats with plenty of opportunities for personalized discussion and feedback. This 3-Day RPC Certification School Training provides the classroom hours required to submit the Competency Certification Portfolio, which must be reviewed and approved to become competency certified in RPC. The Competency Certification Process is an optional additional service, which must be applied for and completed in addition to the training. There is a separate fee for competency certification.

If flying into Savannah, complimentary airport shuttle may be provided to and from Statesboro with prior notification. Contact Janis Ellington for more details: 912.678.4480 • jellington@summitbhc.com
